Wedding Budget Worksheet

Planning your wedding is exciting, but there are many costs to consider. Having a budget can help you keep track of your wedding expenses and where to potentially cut costs.

Try this template to budget for your wedding. You'll need to know your savings and a rough estimate of your potential wedding expenses.

Remember, everyone's wedding looks different. That means your budget will look a little different from someone else's, too. Use this template to help plan your big day – and feel free to add items that are important to you.
